

A BAT MITZVAH CLUB EVENT

WELCOME TO
THE KNOT
STUDIO

What can bring together two people who are far apart? A kind word or a favor can tie an instant bond to others and a mitzvah can connect us to Hashem. Pair up with your mitzvah match for an open discussion, then use a rope to bring the group together in a whole new way. Knot a trendy macrame wall hanging that can hang in your bedroom as a reminder of each mitzvah that can connect us with Hashem. End off on a high note with a competitive and hilarious mitzvah minute to win the game!

7 p.m. on **January 2**
